## WOMEN EMPOWERMENT MOVIE NIGHT

A super fun PD event we had this month was our women empowerment movie night where we watched the movie Hidden Figures!

## S'MORES NIGHT

We also had a smores and game night this month where we split into small groups and made smores together! With the smores, we played games that helped us form better connections.

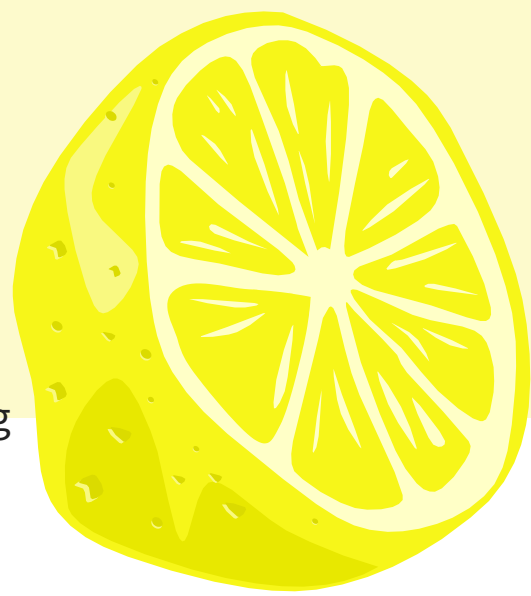

## SENIOR SENDOFF

To say goodbye to our seniors, we hosted a senior sendoff and played a Kahoot that quizzed us on our graduating sisters! This was an amazing event to show our love for Stephanie Hang and Neeki Mostoufi who graduated this semester!

# STRESS RELIEF NIGHT

To kickoff finals, we hosted our 2nd stress relief night of the semester and colored in AΩE coloring pages and adult coloring books!
