First Day of Classes!

It's been a crazy first couple of months, but welcome to the Spring 2021 Semester! We've already lived through a lot this semester (i.e. our impromptu spring break that featured blackouts, icy roads, and water safety scares) but the Corresponding Secretary Committee hopes you're doing well now and bouncing back into the swing of things. We've got a lot to look forward to this year and we hope you do too!

Mod Profit Share

Our profit share with MOD Pizza was a big success! We made \$100, so thank you to all the sisters who came to support us!

YAY!

Founder's Day

To celebrate our first Anniversary as a Chapter, Sisters across the state posted a fun Founder's Day themed Bingo on their Insta stories!

Founders Day- Jeopardy

The day before Founder's Day we got together to show what we know about the history of our Sorority and Chapter, as well as some fun facts about our bylaws, policies, and committees!

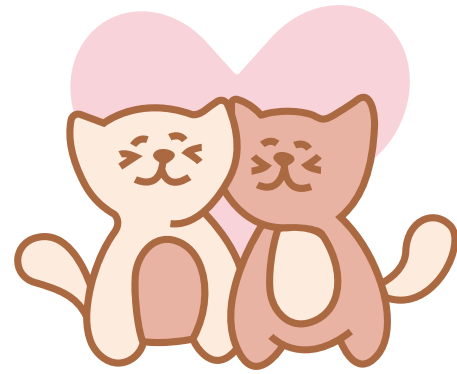

Online Presence Workshop

Our PD director Neeki led a workshop dedicated to professional online presence, this included LinkedIn as well as how to adjust your personal Social Media to be more professional friendly.

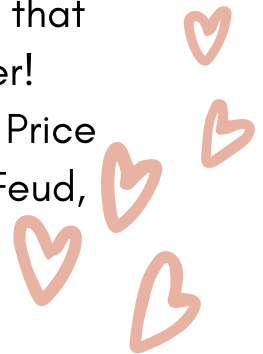

Galentines Day

Galentine's Day was such a fun activity put on by Rebecca and her committee that included a secret gift exchange and a lot of fun activities via zoom!

Game Show Night

Kim and her committee put together a fun game night that also supported our Chapter! Games included were The Price is Right, Jeopardy, Family Feud, etc.

MBTI in the Workplace

Neeki also lead a presentation about how your MBTI personality effects how you work. There was a lot of fun discussion from people of the same and different personality types!
