Texas N&V's "The Big Event"

Every spring, Texas N&V holds "The Big Event," where over 13,000 students serve the community in the largest, one-day student-run service project.

Our sisters participated in this event, with multiple groups in our sorority serving in the Bryan/CS N area. We rolled up our sleeves & had a great time.

Goose Chase

At the start of this semester, we played Goose Chase, which involved groups of 10-15 members by series of 5-10 groups that...

Board Game Night

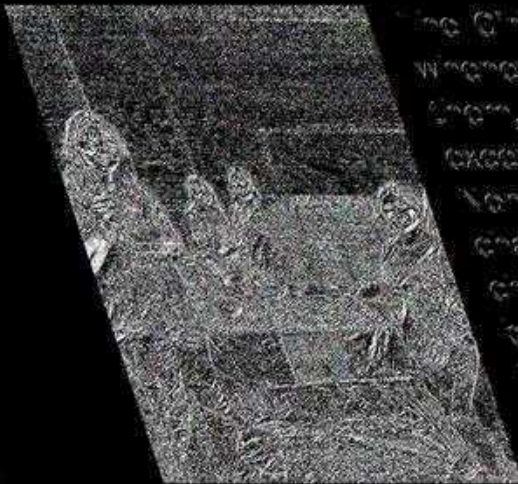

Board Game Night was a fun way to de-stress & have a good time with our fellow sisters in some friendly competition. We had 60 people on the boards, as we not only had board games, but food boards too. The most popular game was Cards Against Humanity, but there were other fun dice games like the Animal Crossing Version of Monopoly, the Champion, the Hilarious Mansion, & the Betrayal.

SWA SNA Fest for the Girl Scouts of Central Texas

The Girl Scouts are our official chosen partner, so whenever we get a chance to spread our love of S-V to them, we have a great time. S-V Fest this year was no exception. For our booth, we taught the Girl Scouts about Non-Newtonian Fluids. We let each girl see how force changes Oobleck's state of matter, then gave them a chance to make their very own to go out. We also stress balls to take home. Our Director of Professional Development (Kong Vela Cassel) worked tirelessly to prepare for the event, and he said off when we got to see the girls go with curiosity.

Craft Night

Our sisters channelled our inner grandmas during craft night. Some sisters painted along with a Bob Ross video, some made their own bracelets and others pursued their own crafts. It was a great way to destress from a hectic week of school and embrace our creative side.

Progressive Dinner

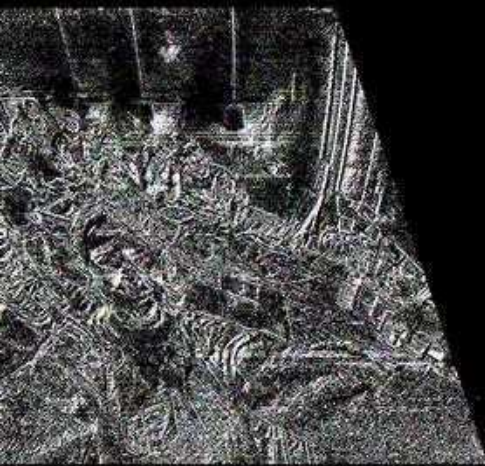

The progressive dinner was a success. There was lots of amazing food and we gave us the opportunity to bond with our sisters and have conversations. It's only a few hours of fun, but it's a great way to spend a weekend and make memories.

The progressive dinner was a success because you get to see your sisters over food and conversation. By the end of all the fun, relaxing and love, the house comes to with a smile. (Anshika Nair, 11th Grade)

Pokewort's Profit Share

This month, we did a profit share with Pokewort's to branch out from our usual tastes. Needless to say, it was a success and our Natives loved it.

The Pokewort's profit share was such a great idea. All of the bowls looked so good, it was so sad that we got food poisoning the day before so couldn't try them. Next time we do it again. (Anshika Nair, 11th Grade)

March Birthdays

Special to our sisters with March Birthdays, thank you for another year together, we love celebrating together.

Mental Health in the Workplace

Our professional development event this month was a Virtual Health in the Workplace presentation given by our AD Director, Nancy (Nora Class), and Director of CA, Nancy Swales (Dora Class). They gave our sisters valuable information about common types of mental illnesses, the impact those illnesses have on employees, and ways sisters can be prepared about mental health in the workplace. A big thank you to our two directors and everyone who attended.

Sisters of the Month: Anthropology Committee

Our lovely Sisters of the Month for March are the Anthropology & Outreach Committee. These sisters worked extremely hard this month to organize S-V'ses, and S-V'ses, for our activities to participate in. We love and appreciate all the hard work they have done this month and cannot wait to participate in future anthropology events.
