Ritual Week & Day Away

It's so nice to, we once again go to enjoy some of our favorite events during Ritual Week. We started with Native Soul and then, where our 200 Candidates got the chance to see activities and do activities from from them. Then, a fun favorite, Progressive Dinner, where we all got the chance to show and enjoy hospitality and home cooked meals. Game Night was a fun spin on our usual Family Game Night, and during the Candidate

and during the Candidate Photo Presentation, we honored the 200 Candidates for their generous gift of a painted canopy for the home and the week, we took a trip out of town for our Sisterhood Retreat. Although Day Away was a little different this semester, we still had a fun time with our usual Day

away activities and socializers. The retreat was a wonderful one, and the venue had so much great spaces for group activities and our semester's Sisters Night. Both activities and candidates did to make memories that will stick with them for years to come. Day Away is always so much fun. Seeing all my sisters outside of a school environment where everyone can just be loose and have fun is always exciting. And the people who bring a ways do a fantastic job. -Nya Alexander (President Class)

Research & Grad. School. Workshop

Thank you to all of our sisters who spoke at the Research and Graduate School panel, everyone was so insightful. Each one of them had such an experience, so we were able to find a wide variety of resources.

"I loved going to share about my experience with research since it has been a big part of my time in college. With anyone who wants to do research empowered and able to do so." -Tiffany (Delta Class)

Prepping for Finals

In an attempt to boost spirits and promote productivity before finals week, we headed up an event with a profit share at a popular study spot, Sweet Sugars Coffee Shop, and a free night food buffet, our "D"ing's Prep Party. Our sisters had a wonderful time at Sweet Sugars, and then went to blow off

WEEK OF KINDNESS & GRATIOS COUNTRY FOOD DRIVE

With the International Week of Kindness being in November, our philanthropy decided to take advantage and spread goodwill to our community with homemade notes. Designed by Catherine Long (Iota Class), these notes were decorated and handed out the first through the 9th in October. This month, we also collected and donated canned goods for the Bryan County Food Bank, giving boxes of food to Bryan residents.

Holiday Celebrations

We love celebrating season's change.

stress and learn how to enjoy studying while staying focused and enjoying sweets. We even got soft care goods bags to get us through finals. According to Catherine Long (Iota Class) the Sweet Sugars Coffee Shop was such a great idea to have going into finals time. It's always fun to study at a coffee shop, and even more fun to do so with support. A.O. at the same time. Not our excuse meeting there, we all headed over to campus for the finals prep event which was the cherry on top. ON D making my little goodie bag, and it was such a great way to do stress from studying and just take a second to breathe and bond with other sisters.

Marilyn Stubb (Delta Class) Had a special thanks to Marilyn for hosting at their place as well. We appreciate you.
